--

Sayyappa, Ex peon, Taluk office, Bellary died on 23-2-1940, while in service, leaving behind him, his widow and five children (3 sons and 2 daughters). The eldest son is the registered missal karnam of Kakkabevinahalli village group, is aged 17 years and hasnot joined his office as karnam as yet. The other two sons are aged 7 and 5 years and the two daughters 13 and 6 years. They are wholly depending on the deceased. The deceased has

four brothers one is an acting karnam on Rs.13/- per mensem two others are peons and the fourth is not employed but none of them is reported to be in a position to maintain or give any contribution for maintenance to the family of the deceased. The deceased has left no property and has made no provision for the family. This case does not come under any of the exceptions to paragraph 6 of G.O. No. 120 Finance (Pension) dated 22-3-32. In view of the long and devoted service of nearly 20 years put in by the deceased, I recommend the sanction of gratuity equal to twelve months' pay viz. Rs.192/- to Mallamma, the widow of the deceased.

2. The record of enquiry, descriptive roll, a statement of particulars as required by B.P. No. Mis. 2504 dated 10-8-31 and the service register with the leave account of the deceased are enclosed for reference and return. There was delay in taking action on this application for gratuity in the taluk office and Collector's office. The delay in the taluk office was due to detailed enquiries and it wasunavoidable. For the delay of 3 months in the Collector's office I am taking suitable action against the clerk responsible for it.

LEAVE ACCOUNT

OF

INSTRUCTIONS.

1. The account is to be maintained in terms of leave on average pay.

2. In the case of officers already in Government service, the first entries will be in columns (3), (4) and (5), the entries to be made in accordance with Fundamental Rules 77 and 78.

3. Under Fundamental Rule No. 77 (*c*) such of the Government servants as had not elected the simplified leave rules published in G.O. No. 847, Finance, dated 22nd September 1920, but had chosen to remain under the rules in force prior to the 29th July 1920 should be allowed an additional credit of a third of any period of leave on medical certificate taken under those rules.

4. In the case of a Government servant belonging to the vacation department, no privilege leave should be credited to the leave account under rule 77 (*b*) (ii) (i) unless he was prevented from availing himself of the vacation in which case privilege leave on full pay earned under articles 272–274 of the Civil Service Regulations should be credited.

5. When an officer applies for leave, columns (1) to (3) are to be filled up for arriving at the leave at his credit. The period of leave shown in column (3) should be arrived at by adding the new entry in column (2) to the last previous entry in column (7).

6. When an officer returns from leave columns (4), (5), (6) and (7) will be filled up. The portion of the leave on half or quarter average pay will be entered in column (5) (*a*) and this period divided by 2 is the entry to be made in column (5) (*b*).

7. The maximum prescribed in rule 81 (*a*) will be applied to the totals of the periods in column (6), while the maximum in 81 (*b*) should be applied to the totals of the periods in (4).

8. When a Government servant is transferred from service under another Government, a separate account should be opened in this form for showing the leave earned under that Government and the leave, the cost of which is debited to that Government. This account will be in addition to the main leave account, which must be a complete record of all leave earned and taken under these rules throughout his service.

9. The deductions referred to in rule 82 (*b*) should be made with regard to the periods of vacations enjoyed after the 1st January 1922 and not before that date.

10. Maternity leave and hospital leave enjoyed by a Government servant should not be debited against the leave account—vide rule 101.

Instructions for filling up Form No. F.R. 9-A.

1. The account is to be maintained in terms of leave on average pay. For this purpose, actual periods of leave taken on half or quarter average pay as entered in column 13 should be divided by two and posted in column 14.

2. In the case of officers who were subject to the Civil Service Regulations leave rules before they elected the Fundamental Rules, the account should commence with an opening entry in columns 4, 5, 6, 7, 8, 11, 13, 14, 15, 16, 17 and 18. The words 'Due on (date of coming under the Fundamental Rules)' should be written across columns 1, 2 and 3 and against these words credit under Rule 77 (*b*) (*ii*) (1) should be given in column 4 and column 6 and that under Rule 77 (*b*) (*ii*) (2) and Rule 77 (*e*) in column 5 and column 7 while debit for commuted furlough taken under the old leave rules should be given in column 11 and that under Rule 78, Note (2) (*i*) (*a*), in column 13, one half of the latter being entered in column 14. The sum total of the entries in columns 6 and 7 and in columns 11 and 14 should be entered in columns 8 and 15 respectively. The difference between the entries in columns 8 and 15 should be entered in column 18 and the entry in column 4 or 6 should be repeated in column 16 while the entry in column 5 or 7 minus the sum total of the entries in columns 11 and 14 should be shown in column 17.

3. When a Government servant applies for leave, columns 1 to 8 should be filled up. Columns 1, 2 and 3 should show the Government served under and the period of duty up to the date preceding that on which the Government servant intends to go on leave, and columns 4 and 5 should each show $\frac{1}{11}$th of this period (but see Note 2 below), the sum total of the two entries representing the period of leave (*i.e.*, $\frac{2}{11}$ths of duty) earned under Rule 77 (*b*) (*ii*) (3). To the new entry in column 4 should be added the last entry in column 16 and the resultant figure should be posted in column 6; similarly to the new entry in column 5 should be added the last entry in column 17 and the resultant figure should be posted in column 7. The total of the entries in columns 6 and 7 will be shown in column 8.

When columns 1 to 8 have been posted, column 8 will show the *maximum* amount of leave which may be granted *in terms of leave on average pay* [but see Rule 81 (*d*)] to a Government servant on the date on which he intends to go on leave. The *maximum* amount of leave *on average pay* which may be granted on that date with medical certificate or out of India and Ceylon will be the sum total of the last entry in column 6 and the unspent balance of 'one year' limited to 8 months at a time, provided this sum total is covered by the period entered in column 8; in the case of leave in India or Ceylon without medical certificate, the maximum will be the last entry in column 6, limited to 4 months at a time. The limits of 8 and 4 months may be exceeded as provided in the note to Fundamental Rule 81 (*b*).

4. When a Government servant returns from leave, columns 9 to 18 should be filled up. The period of leave taken on average pay should be entered in columns 9, 10 and 11, that taken on medical certificate or spent elsewhere than in India or Ceylon should be entered in column 11 till the limit of "one year" is reached and thereafter in column 10. The actual periods of leave on half or quarter average pay (together with leave on subsistence grant under the note to Fundamental Rule 88) and overstayal of leave (vide Fundamental Rule 73) should be entered in column 13 and one half of it in column 14.

Note 1.—Leave on average pay taken under the Fundamental Rules in India without medical certificate in excess of the last entry in column 6 before the deletion of '*plus* one year' from Rule 81 (*b*) (*ii*) should be entered in column 11.

Note 2.—If the leave taken exceeds the amount at credit, the excess representing leave not due but granted under Rule 81 (*c*) (*i*) and (*ii*) should be shown in red ink in column 17.

5. The total period of leave in terms of leave on average pay taken in a Government servant's whole service as entered in column 15 should not exceed the privilege leave credited to him in column 4 on his coming under the Fundamental Rules *plus* all periods of leave subsequently entered in that column *plus* 2½ years.

6. When a Government servant is transferred to service under another Government, a separate account should be opened in this form for showing the leave earned under that Government and the leave the cost of which is debited to that Government. This account will be in addition to the main leave account which must be a complete record of all leave earned and taken under these rules throughout his service.

Note 1.—If during the period of duty prior to a Government servant's going on leave he has served under two or more Governments, the period of duty and the leave earned under each Government should be shown in separate lines in columns 1 to 5 and the sum total of the new entries in column 4 and the last entry in column 16 should be posted in column 6 and of those in column 5 and the last entry in column 17 in column 7, the total of the entries in columns 6 and 7 being shown in column 8.

Note 2.—The sum total of the entries in column 5, inclusive of the opening entry mentioned in instruction No. 2, should not exceed 2½ years [Rule 81 (*a*) (*ii*)], and no entry should be made in this column when this limit of 2½ years is reached.
